## Agreement

Operator understands RVSM SAO approvals through the FAA can take anywhere from a week up to 180 business days, depending on FSDO workload.

Operator understands that the RVSM SAO Representative / Responsible Person designated on this form must be the first point of contact for the FAA. Any technical questions or changes to the RVSM SAO Program manuals requested by the FAA can be directed to Wilding Air. Wilding Air will make every possible effort to get the LOA and/or OpSpecs issued as soon as possible.

By signing this application, you authorize Wilding Air to prepare RVSM SAO Program manuals for the aircraft listed above. The charges for this service (including support through the approval process) is due prior to shipment of the RVSM SAO Program manuals. Wilding Air will not be held responsible or liable for any delays of any type relating to FAA issuance of a Letter of Authorization and/or Operation Specifications.
